Dear Clerk Moynihan,

Today on the above date, I received a Copy from IFP and Prisoner Authorization forms from the Court, and I immediately filled them and signed them, and attached to them a 3-page "Inmate Inquiry" dated May 21, 2019. So, enclosed are the IFP and Prisoner Authorization forms signed by me on the above date (June 4, 2019) as instructed and ordered by Court.

Please note that the USP Big Sandy authority has provided me with a COPY from

⇒ the IFP and Prisoner Authorization forms, not the originals, simply because the new rules in USP Big Sandy dictates to provide a copy from the envelope and all material inside the envelope to the prisoner. So the only way to avoid that, Clerk Moynihan, is to mark the front of the Court's envelope with a statement says "Special Mail." or "Legal Mail" in order for the prisoner to receive the original forms or any other material sent from Court. Receiving the original forms and documents is crucial for filing effectively, especially when the institution provides lousy copies done in hasty way without care or paying attention to how to copy professionally!

Thank you in advance for your time and consideration.

Respectfully,

Moh'd
